

REMARKS

The Examiner's Action mailed on June 1, 2006 has been received and its contents carefully considered. Applicants note with appreciation that the Examiner considers claims 14-16 as being allowed. Claims 1- 17 remain pending in the application. In this Amendment, Applicants have amended claims 1 and 8. For at least the following reasons, it is submitted that this application is in condition for allowance.

The Examiner has rejected claims 1, 5-7 and 17 under 35 U.S.C. 102(e) as being anticipated by *Hsieh et al.* (US 6,880,947). The Examiner has pointed out that the term "in" as recited by in claims 1 and 8 is not considered to sufficiently distinguish from the formation of heat dissipating plate of *Hsieh et al.* The Examiner has advised Applicants to change the recitation "in" to "within", in order to distinguish over the art of record. In response thereto, claims 1 and 8 have been amended as advised by the Examiner, so as to sufficiently distinguish over the formation of *Hsieh et al.* It is therefore submitted that the independent claim 1, as well as the claims 2-7 dependent therefrom, are not anticipated by (or rendered obvious by) the cited reference. As such, the rejection should be withdrawn.

Claims 2-4 and 8-13 have been rejected under 35 USC 103(a) as being unpatentable over *Heish et al.* (US 6,880,947). Independent claim 8 has been amended and includes features similar to those of claim 1. It is submitted that claims 2-4 (dependent from claim 1), and independent claim 8, as well as its dependant claims 9-13, are patentable over the applied reference for at least the

same reasons that the independent claim 1 is patentable. As such, the rejection should be withdrawn.

Based on the above, it is submitted that the application is in condition for allowance and such a Notice, with allowed claims 1- 17, is earnestly solicited.

Should the Examiner feel that a conference would help to expedite the prosecution of the application, the Examiner is hereby invited to contact the undersigned counsel to arrange for such an interview.

Should any fee be required, the Commissioner is hereby authorized to charge the fee to our Deposit Account No. 18-0002, and advise us accordingly.

Respectfully submitted,
